## **Dana News** By Glenna Smith

A great big thank you to all who generously donated their time, food and presents for Reverend Kalu's farewell luncheon. The day started out with chanting in the Dana House with Reverend Kalu at 9am, followed by a brief coffee break. We were joined by the women attending Jean's Sewing Class. No time to sit still; it was off to the kitchen for the Seniors to start working on dried peaches. The ladies and gentlemen bagged up the 4 oz. bags of dehydrated peaches and pitted a bucket of soft peaches to dehydrate while some of us worked on preparing lunch for the 45 people that attended. A special thanks to Reverend Tennes and his wife for attending.

There was a full table of delicious food and a separate table for healthy desserts. No one ever goes hungry at any of our Temple lunches. We had a brief time for speeches and presentations. The leis were beautiful and so were the words from the sangha. We are glad to have spent this time with Sensei and wish the best for him.

Aloha!

## **Troop 18 News**

By: Sean McCormick

On Memorial Day weekend, Troop 18, along with several other upcountry Troops & Packs participated in the annual placement of over 2200 flags at Makawao Veterans Cemetery & Saint Joseph's Cemetery. Although the rainy weather made things a little wet, this made the ground soft for easy flag placement.

Following the flag placement, we headed to Haiku for a Map & Compass course at the Thomas' house. The Troop set up for an overnight camp on their property and the following day used our Map & Compass skills to hike approximately 1 mile through wet & muddy conditions.

Now that school is out, we are gearing up for a busy summer. We are looking forward to summer camp at Camp Maluhia 7/5 – 7/11, where we will each earn several Merit Badges and gain new experiences. Our Troop is also preparing for the OBON festival at the end of the month and excited to offer the famous and well known "Troop 18 Burgers".

### HHMH 2016 CALENDAR – CALL FOR SUBMISSIONS

#### **2016 Slogan – Embrace Change: New Vision (Create Engagement)**

**We seek opportunities from which we create a NEW VISION,  
which will plan for the future and Create Engagement with our members and the community.**

The deadline for submissions is September 9, 2015.

The Honpa Hongwanji Mission of Hawaii Calendar Committee invites individuals and groups to provide creative works of art for the Hongwanji calendar. The works of art may include photos, drawings, poems, and even picture of things like sculptures and pottery. The picture will need to be clear when enlarged. We have found that cell phone pictures often do not work well for this calendar project. You are not limited to just one submission, but for each submission, please include a paragraph that describes how the picture relates to the 2016 slogan: **NEW VISION (Create Engagement)**.

Please encourage your temples and organizations to start thinking about ideas to submit for the 2016 calendar. If you have questions, please leave a message for Yumi Suzuki at the Hongwanji Headquarters Office c/o Rev. Umitani at 522-9205 or email address: [hqs@honpahi.org](mailto:hqs@honpahi.org). For entry submissions, please submit directly to Alan Kubota at [alan.kubota@pbahi.org](mailto:alan.kubota@pbahi.org). He will be able to respond to your technical questions. Thank you.

## **KITCHEN:**

By: Calvin

A big mahalo to Ray, Paul and Jean, Richard and Amy, David, Peggy, Corene, and Calvin for moving everything out of the kitchen, scrubbing the floor, and moving everything back again. The floor and kitchen look great!

Also, the Health Department inspector visited the kitchen last month and was impressed with how clean it was and gave it a “green” card! Great job to all who work the kitchen.

## **SOCIAL HALL GUTTER WORK**

How many men does it take to put up a 100-foot-long gutter? It took five of Rain Gutter Brothers workers. They replaced the gutter at the Social Hall this past month. Many thanks to Ryan Conyers and his crew for a job well done. Also, thanks to Floyd Nagoshi for coordinating with Ryan.

## **YARD MAINTENANCE**

Ever wonder why our Makawao Hongwanji yards are so nice all the time? It is our volunteer Menehune members who maintain it so well. Who are these Menehunes? They are David Judd (lawn mowing), Ray Nakagawa (moving, weed whacking, and hedge trimming), Floyd Nagoshi (weed whacking) and Amy/Richard Blue (plant maintenance). A big MAHALO to these committed members!

We would also like to acknowledge and thank Harold Makimoto for mowing and weed whacking the grounds of our Pauwela Cemetery in Haiku for years. Thank you to Andy Hirose, Hiromi Tanaka, and Floyd Nagoshi who have recently joined the Pauwela Cemetery work crew. They venture out monthly or as it becomes necessary to keep the growth down. Arigato!

## **PRESIDENT'S MESSAGE**

If you haven't heard, the last official day for Rev. Kalu was June 15, 2015. Rev. Tennes of Kahului Hongwanji Mission will be helping us until a new minister is assigned. To Rev. Tennes, thank you for your assistance. We are really going to need your services at Obon time at the end of July. To everyone else, thank you for your patience and understanding.

Okay then, let's get serious! Have you seen the commercial for THE CAB by Frank Delima? The phone number is 4, TU, TU, TU, TU, TU, TU. There's a little confusion here on Maui because a gum factory just opened up and their number is 4, CHEW, CHEW, CHEW, CHEW, CHEW, CHEW. Not to be outdone, a tree trimming company just started with the phone number 4, TREE, TREE, TREE, TREE, TREE, TREE. If you have any dumb questions, just call on Office of Useless Information and we will refer you to our answering service at 1(800)DUMB. Any questions?

## **PICKLED PEACH FUNDRAISING UPDATE**

**By: Calvin**

This season's processing time lasted from April 15, 2015 through June 9, 2015 (about 8 weeks including preparing syrup before actual harvests. There were 6 harvest weekends and 6 batches to pickle and pack. A total of 876 gallons of peaches were processed. This total included peaches harvested and brought to the kitchen from the Fukuda, Nishida, and Nakamura farms.

This year, we had a really good turn out of members and friends including members from other temples and other religions and churches. We kept records this year of people helping and the hours put in. There was a total of 29 processing days and 856 estimated worker hours.

To share in a successful harvest this year, we offered the other Maui temples to buy from us at a discount so they can repack and sell at their Obon and garage sale/bazaars and make some profit. Please help them out by buying peaches at their events.

Although the harvesting and processing period is completed, the sales and distribution part is ongoing and will probably take us another 2 or 3 more months, if not more. Also the dried pickled peach processing of pitting, dehydrating, and packaging is ongoing as there are over 20 5-gallon pails still to be processed.

Members of the pickled peach fundraising committee for this year were Andy Hirose, Ray Nakagawa, Calvin Higuchi, Sharon Higuchi (dried pickled peaches), and Rie Taketa (orders/sales).

The committee sends out a big mahalo to the following volunteers for all their hard work this season: Hiromi Tanaka, Floyd Nagoshi, Sharon Nagoshi, Robert Yoshioka, Paul Nishida, Jeanne Nishida, Betty Hirose, David Judd, Mike Nakagawa, Alison Nakagawa, Jennifer and Daren, Donald Taketa, Edwin Yamamura, Agnes Guiala, Val Guiala, Marilyn Morikawa, Haruyuki Yamanaka, Clifford Tokumaru, Ruth Tokumaru, Lynn Fujimoto, Elle Fujimoto, Reverend Sol Kalu, Diane Kosaka, Glenn Hamai, Paul Sentani, Hedy Sentani, Peggy Kono, Coreen, Daryn Kono, Derek Kono, Sally, Mike Nishimoto, Alan Fukuda, Alma Nakano, Rogers Ishizu, Doris Mark, Pam Farnsworth, Richard Blue, Amy Blue, Gail Hamai, Clyde Hamai. (apologies if we may have missed anyone who came but was inadvertently not listed)

Please call or email Rie at the temple office to purchase or order: Pickled peaches (1 gallon for \$35; 1 quart for \$10) and dried pickled peaches (4 oz. bag for \$4, or you can order larger bags at \$1 per oz.).

We will also be selling at the bazaar and the Obon.

# 15<sup>th</sup> WORLD BUDDHIST WOMEN'S CONVENTION

By: Marilyn

Imagine, nearly 2,000 Buddhist Women in one place. It all happened in Calgary, Alberta, Canada on May 30-31, 2015. With the theme, "Embraced by the Oneness of Life", we indeed felt the bond as women and as Buddhists. Makawao Hongwanji was represented by Diane and Glenn Kosaka, Marilyn Morikawa, and Diane Nako. Joining the other Hawaii women, we couldn't be missed with our purple shirts and yellow lei. Other groups were from Buddhist Churches of America, Brazil, Canada and Japan. The Japan women were about ¾ of the group and some wore kimono.

Calgary is indeed beautiful with the backdrop of the Rocky Mountains and the flowing Bow River. The air seemed fresher and the land so spacious. On the way to Banff, we passed the site of the 1988 Winter Olympics and saw interesting buildings like the one owned by the biggest oil company of the region.

The keynote speakers, Rev. Nana Yanase, a fourth generation Japan minister who is a singer/songwriter, and Rev. Patricia Kanaya Usuki, a Canadian sansei whose first career was in the diplomatic services of the national government. Both spoke eloquently of how the Nembutsu affected their lives and through many causes and conditions they are able to serve as Jodo Shinshu ministers. In speaking of ONENESS, some thoughts presented were....

- ◆ Be mindful of our interconnections. All that we have are dependent on past and present conditions. It is astounding how many beings are in our lives. There is a constant flow of interdependence, for there is constant change and we depend on others.
- ◆ Life isn't as one planned. Work of Amida Buddha is part of our lives. We are empowered by the Nembutsu.

We attended workshops around the Eightfold Path themes: Right View was a performance by the Hiroshima Gagaku Club, Right Conduct was Qi Gong Moving Meditation, Right Mindfulness was Why Music? Music is a container of memories, Right Livelihood was Oneness: Success Through Interdependence, Right Effort was History of Buddhism in Canada, and Right Meditation was Naikan, a method of self-reflection. We will be happy to share more information if you are interested.

At the banquet, we were able to talk to other attendees from Japan and elsewhere. Many had attended the 2007 world convention in Honolulu.

The entertainment was the lovely Rev. Yanase singing her original songs, and high stepping dancing by Brazil, BCA, and Canada, Bon style dance by Japan and of course, hula by Hawaii. Did you know hula is popular in Japan?

More thoughts on ONENESS...

- ◆ The Oneness of life is that Life and Death are One. Support one another as we live together. Nothing lives forever, but our spiritual home remains.
- ◆ Every being is a teacher of life and a teacher of death. \*Savor the moment for it will not return, but each moment affects all future happenings.
- ◆ Experience the warm compassion of Amida Buddha.
- ◆ To gain wisdom, one must observe.
- ◆ Everything is part of life, so live gratefully each unrepeatable day.

Four years hence, Aug. 30-Sept 1, 2019, the 16<sup>th</sup> World Convention will be in San Francisco, CA. Start making plans to attend. It will be another opportunity to feel the ONENESS as Buddhist women throughout the world.
